

FOR CONSTRUCTION / MASONRY / TROWELS /  
Trowels

Product reference  
5915-17 CC BIM

Bussels model tiling trowel with  
bi-material handle 170mm /  
591517CCBIM

Brand

Bellota

EAN code

8414299624021

Use

Prepare cement and mortar and apply it to construction supports. It won't let you down.

Bullet points

Prepare the cement mixture and spread it with the confidence that the trowel will never break.  
Will last a lifetime. Forged in a single piece and manufactured in special Bellota steel. Heat treated.  
It won't wobble. Perfect fit between blade and ergonomic bi-material handle, smooth to the touch. Greater comfort.

Description

Professional Brussels model steel tiling trowel, forged in one single piece, maximum durability and total guarantee against breakage (unbreakable). Differentiated heat treatment on blade and key, no breakage, no deformation and no wear. Perfect handle-key joint. Bi-material handle with forefinger guard, maximum control and ergonomics. For tiling and masonry work.
